Receiving report

Entry 1: shipment received, inspected, and assigned to production.

Entry 2: shipment received, inspected, and assigned to production.

Entry 3: shipment received, inspected, and assigned to production.

Entry 4: shipment received, inspected, and assigned to production.

Entry 5: shipment received, inspected, and assigned to production.

Entry 6: shipment received, inspected, and assigned to production.

Entry 7: shipment received, inspected, and assigned to production.

Entry 8: shipment received, inspected, and assigned to production.

Entry 9: shipment received, inspected, and assigned to production.

Entry 10: shipment received, inspected, and assigned to production.

Entry 11: shipment received, inspected, and assigned to production.

Entry 12: shipment received, inspected, and assigned to production.

Entry 13: shipment received, inspected, and assigned to production.

Entry 14: shipment received, inspected, and assigned to production.

Entry 15: shipment received, inspected, and assigned to production.

Entry 16: shipment received, inspected, and assigned to production.

Entry 17: shipment received, inspected, and assigned to production.

Entry 18: shipment received, inspected, and assigned to production.

Entry 19: shipment received, inspected, and assigned to production.

Entry 20: shipment received, inspected, and assigned to production.

Entry 21: shipment received, inspected, and assigned to production.

Entry 22: shipment received, inspected, and assigned to production.

Entry 23: shipment received, inspected, and assigned to production.

Entry 24: shipment received, inspected, and assigned to production.

Entry 25: shipment received, inspected, and assigned to production.

Entry 26: shipment received, inspected, and assigned to production.

Entry 27: shipment received, inspected, and assigned to production.

Entry 28: shipment received, inspected, and assigned to production.

Entry 29: shipment received, inspected, and assigned to production.

Entry 30: shipment received, inspected, and assigned to production.

Entry 31: shipment received, inspected, and assigned to production.

Entry 32: shipment received, inspected, and assigned to production.

Entry 33: shipment received, inspected, and assigned to production.

Entry 34: shipment received, inspected, and assigned to production.

Entry 35: shipment received, inspected, and assigned to production.

Entry 36: shipment received, inspected, and assigned to production.

Entry 37: shipment received, inspected, and assigned to production.

Entry 38: shipment received, inspected, and assigned to production.

Entry 39: shipment received, inspected, and assigned to production.

Entry 40: shipment received, inspected, and assigned to production.

Entry 41: shipment received, inspected, and assigned to production.

Entry 42: shipment received, inspected, and assigned to production.

Entry 43: shipment received, inspected, and assigned to production.

Entry 44: shipment received, inspected, and assigned to production.

Entry 45: shipment received, inspected, and assigned to production.

Entry 46: shipment received, inspected, and assigned to production.

Entry 47: shipment received, inspected, and assigned to production.

Entry 48: shipment received, inspected, and assigned to production.

Entry 49: shipment received, inspected, and assigned to production.

Entry 50: shipment received, inspected, and assigned to production.

Entry 51: shipment received, inspected, and assigned to production.

Entry 52: shipment received, inspected, and assigned to production.

Entry 53: shipment received, inspected, and assigned to production.

Entry 54: shipment received, inspected, and assigned to production.

Entry 55: shipment received, inspected, and assigned to production.

Entry 56: shipment received, inspected, and assigned to production.

Entry 57: shipment received, inspected, and assigned to production.

Entry 58: shipment received, inspected, and assigned to production.

Entry 59: shipment received, inspected, and assigned to production.

Entry 60: shipment received, inspected, and assigned to production.

Entry 61: shipment received, inspected, and assigned to production.

Entry 62: shipment received, inspected, and assigned to production.

Entry 63: shipment received, inspected, and assigned to production.

Entry 64: shipment received, inspected, and assigned to production.

Entry 65: shipment received, inspected, and assigned to production.

Entry 66: shipment received, inspected, and assigned to production.

Entry 67: shipment received, inspected, and assigned to production.

Entry 68: shipment received, inspected, and assigned to production.

Entry 69: shipment received, inspected, and assigned to production.

Entry 70: shipment received, inspected, and assigned to production.

Entry 71: shipment received, inspected, and assigned to production.

Entry 72: shipment received, inspected, and assigned to production.

Entry 73: shipment received, inspected, and assigned to production.

Entry 74: shipment received, inspected, and assigned to production.

Entry 75: shipment received, inspected, and assigned to production.

Entry 76: shipment received, inspected, and assigned to production.

Entry 77: shipment received, inspected, and assigned to production.

Entry 78: shipment received, inspected, and assigned to production.

Entry 79: shipment received, inspected, and assigned to production.

Entry 80: shipment received, inspected, and assigned to production.
